Section 4(f) of the Department of Transportation Act of 1966

Other Impacts

Review and Recommendation based on material submitted by _____:

Mayor / Agency Director

Date

Note: This document must be dated after the date of the last clearance letter.

The project as proposed will not involve significant impacts to the existing land use. Based on the above findings and the fact that the project will not individually or cumulatively have any significant environmental impacts, it is our recommendation that the project be classified as a categorical exclusion under the provision of 23 CFR 771.117(d).
